Dr. and Mrs. T. T. Wimer of this city, W. R. McGeorge and George Eaton, both of Claremore, have returned from their business and pleasure trip to Canada. They report crop conditions in good shape and business booming.

All day yesterday and last night the elements were busy marshaling their forces for a rain, which came in a good steady downpour this morning before 7 o'clock and continued long enough to make thousands of bushels of corn.

Rev. W. Dunkle returned this morning from Okmulgee, where he has been in attendance on the Creek Indian conference. There was hundreds of fullblood Creek Methodists there, camped out in the woods. Mr. Dunkle preached to them three times, through an interpreter.

George E. Harris and boys and Dr. J. W. Craig returned last evening from a fishing trip to the mouth of Big Cabin creek. They report an enjoyable time and a good catch of fish. Their big day was last Wednesday, when a fish fry was pulled off at Charles Nugent's. The weather was just right and they certainly had a fine trip.

Deputy Arthur Chamberlain came in from Welch last night with Mrs. Lizzie Wilson, who is being held in the federal jail pending an investigation of her sanity. Mrs. Wilson had frightened two young men who were passing her home near Eagle the day before by chasing them with a shot gun. They didn't know it wasn't loaded.

On the trip out, by way of Kansas City and the Rock Island, and on their return through Salt Lake and Ogden over the Union Pacific, they were accompanied by Mrs. Alan Trahern (Josie's son). They left Mrs. Trahern at Kansas City, from where she continues her journey to New York to prepare for the coming theatrical season, when she is to star in a new play just completed for her. Blanche Hall is still meeting with great success as one of the Pacific coast's most popular stars. Mrs. Hall believes her visit was of great benefit to her health, but says four thousand miles ride out there and back soon became tiresome.
